\* **CCC:** Per the DoDI 1332.35 Transition Assistance Program (TAP) for Military Personnel, all Service members who have completed their first 180 days or more of continuous active duty shall participate in all mandatory components of Transition Global Positioning System (GPS). TAP is the overarching program that provides transition assistance, information, training and service to eligible transitioning Service members to prepare them to be career ready when they separate, retire, or are released from active duty back

to civilian life: whether, pursuing additional education, finding a job in the public or private sector, starting their own business, other forms of self-employment, or returning to school or to an existing job. For retirement purposes, the timeline will begin as soon as possible during the 24-month period preceding an anticipated retirement date but no later than 90 days before retirement. For reasons other than retirement, members will begin as soon as possible during the 12-month period preceding the anticipated date of separation but again, no later than 90 days before separation. All others must attend the "brick and mortar" classes offered here on post or another location of their choosing via no cost orders. Prior to being able to check out of the CCC office, members must have a signed copy of the DD Forms 2648 and 2958.

**\* DAPA:** "KEEP WHAT YOU'VE EARNED" - April is Alcohol Awareness Month. You may think your drinking habits are normal, but sometimes it's hard to spot warning signs of a drinking problem in yourself or others. Some of the signs of a drinking problem include: drinking more than intended, having memory blackouts when drinking, and problems with family, friends or the law caused by your drinking. It helps to know the signs so you can make a change early. Follow these tips to have fun and drink smart: 1. Plan ahead for a safe ride home, 2. Don't try to "keep up" with others, 3. Know your limit, before you get there.

**\* FFSC:** The Fleet and Family Support Center will be conducting their annual "Needs Assessment" from 15 March to 15 April this year. Your suggestions will be appreciated. You can reach the survey by going to <https://www.surveymonkey.com/r/H97BYCJ>.

**\* SAPR:** Sexual assault occurs without your consent. In general, it is a sexual assault if the attacker uses force, the threat of force or coercion, if you are asleep, incapacitated (due to drugs, alcohol, or other foreign substances) or unconscious during the incident. In these cases, it may be a sexual assault even if you did not physically resist the assailant.

Sexual assault is a crime. According to the Department of Defense (DoD), the term "sexual assault" is defined as "intentional sexual contact, characterized by use of force, physical threats, or abuse of authority, or when the victim does not or cannot consent.

Command SAPR POC: CTICS Purvis, COMM: 762-206-5166

**\* TLA:** Language Professional of the Quarter packages are due to the TLA, CTIC Alicia Stafford, by 1500, 7 April 2016. Additionally, all linguists must complete an Individual Language Training Plan (ILTP) annually. To schedule an ILTP, please call 762-206-5421/5434/5407/5420 or e-mail: [usn.gordon.inscom.list.nsag-nioc-ga-n72-tla-tlm@mail.mil](mailto:usn.gordon.inscom.list.nsag-nioc-ga-n72-tla-tlm@mail.mil).

**\* OPSEC:** The OPSEC team is conducting a survey as a part of a self-assessment that will evaluate the Command's OPSEC posture. The survey consists of 22 questions which will gauge Command member's OPSEC practices. This will provide a baseline of NIOC-GA's OPSEC posture and how OPSEC is being practiced on and off duty. The survey results will be used to tailor training efforts to improve the Command's OPSEC posture. The OPSEC team is requesting maximum participation in taking the OPSEC survey. The survey will be open until Friday 08 April 2016 at 1800. Below is the link to the OPSEC survey.
